The Intoxilyzer Users Group annual meeting will be held in Providence Rhode Island this year with Richard Minogue and Al Giusti from the Rhode Island Department of Health hosting its 2nd conference in that beautiful State.

This conference promises to be an exciting one with many new things, courses, and information to share. As the time draws near more information will become available concerning the conference.

Feel free to contact anyone at CMI Inc. for further information at 1-866-835-0690 and they will get you in touch with the right person.
